### **Start / Finish Area:**

The SUNset Challenge will begin and end near the cafeteria entrance behind Maple Point Middle School. Please refrain from parking behind the school as this area will be needed for our participants.

### **Parking:**

Parking will be available in front of Maple Point Middle School and the new Core Creek Elementary School next door (see map below). Overflow parking will be available at Core Creek County Park across the street. Shuttle vans will be available at Core Creek Park.

We will have many young children on campus; therefore, we ask that you drive with extra care and follow the directions given by our traffic volunteers.

- The parking lot exit leading to Woodbourne Road and Langhorne-Yardley Road will be closed to outgoing traffic once the race has begun. They will re-open once all runners have crossed.

### **No-Nos:**

For your safety and for the safety of those around you, we ask that you refrain from the use of headphones while running. Due to the narrow nature of the pathway during portions of the 5K, strollers are not permitted on the course. No pets are allowed, service dogs only.

### **Runner's Etiquette:**

Stay to your right on the narrow path sections, stay single file whenever possible. At the start, seed yourself appropriately.

The 2K competitive race is designed for children in grades K-12, but adults are invited to register to run with their children. Though all participants will receive a race medal, age category and overall trophies will be awarded to children only.

### **Timing:**

Runners in both the 2K and 5K are chip timed. Please wear your bib on the front of your body, horizontally. Do not remove the bottom tag and ***please refrain from switching from one race to another***. If you want to change races, please visit the registration table ***BEFORE*** the race begins.

### **Weather:**

This is a rain or shine event. No cancellations, refunds or deferrals.

### **Course Info:**
